Shipping Weight: 1.9 pounds

Average Customer Review: 5.0 out of 5 stars Â See all reviews Â (1 customer review)

Best Sellers Rank: #921,262 in Books (See Top 100 in Books) #54 in Â Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Spinning

Customer Reviews

If you are a spinner this book is a must have, even if you own the first edition. That can not be said of many books. This book has been updated, featuring new spinning wheels that are currently available. Most of the spinning wheels in the earlier edition are no longer being made. It make a nice comparison book with the first version. If you are new to the craft of spinning wool this book is one that you MUST have in your collection. It will each you how to spin wool. If you have not yet purchased a wheel buy this book and take it with you when you go shopping. If I could only own 1 spinning book this would be it! I taught myself to spin using the earlier edition!
