Whites And White-Lipped Tree Frogs: Facts & Advice On Care And Breeding (Reptile Keeper's Guides)

Synopsis

Natives of Australia, these fascinating but extremely agile frogs require an escape-proof terrarium. Here's detailed advice on all aspects of their care and maintenance. Books in this series give hobbyists basic information on reptiles' anatomy, life cycles, and traits, as well as specific instructions on care and breeding. There is expert information on selecting good specimens, determining sex, providing proper caging, nutritious feeding, and health care. All books are heavily illustrated with full-color photos.

Customer Reviews

This is a good book for anyone interested in keeping White's Tree Frogs and White-Lipped Tree frogs. It tells you the difference between the two which are very similar yet quite different. You'll also learn everything you need to know about their care and feeding and also how to create the perfect froggy vivarium. It teaches you the conditions your frogs vivarium needs for optimal health breeding. It's a really nice book for anyone knew to keeping pet frogs.

This book is very informative for first time owners, and handy to have around for quick fact-checks.
