Customer Reviews

I love this book. All of the dishes that I've cooked from the recipes thus far turned-out outstandingly well. The recipes have been easy to follow and result in food that reminds me of the comfort food that I enjoyed growing up. Without question, this book was a great find and a wonderful addition to our home library. We look forward to buying Willie Crawford's next release.

Excellent Service, Excellent Product as described. Thank you

Very good southern recipes.
