Christmas At Grandma's: All The Flavors Of The Holiday Season In Over 200 Delicious Easy-to-Make Recipes (Seasonal Cookbook Collection)

Synopsis

Snowflakes are swirling, carolers are singing and shoppers are crowding into shops...Christmas is coming! If you're like us, you'd love to recreate the holiday magic you remember from Grandma's home, but don't have all day to spend in the kitchen. Christmas at Grandma's is filled with simple-to-make recipes for every festive occasion. For Christmas morning breakfast, serve Christmas Sausage SoufflÃ© and Overnight Sticky Buns. After sledding or cutting down the tree, warm everyone up with mugs of Yellow Pea Soup. An open-house buffet with Ambrosia Cheese Dip and Grandma's Cocktail Nibbles is perfect for merrymaking with friends. Busy-day dinners are a snap with Granny's Baked Macaroni & Cheese or Mom's One-Pot Chicken Supper. Make the big day special with Nonna's Christmas Eve Spaghetti, Mama's Baked Brown Sugar Ham or Tangy Glazed Chicken. Ginger-Orange Cranberries and Corn & Broccoli Casserole round out a festive menu. What we all remember most about holidays with Grandma is the desserts, right? Try family favorites like Cranberry Cream Pie and Apple Spice Cake...yum! Cookies are a must, so we've rounded up Sugar Doodle Drops and Chocolate Gingerbread Men. They're so much fun to make and eat! You'll also find sweet memories of holidays gone by, plus clever tips for sharing Christmas with your kids or grandkids.

Excellent recipes in this cookbook. I received it as a gift and it was much appreciated. I like the little side lines in the book as well. This cookbook has some really tasty recipes in it. No wonder I can't lose weight!!!!

These books are always full of recipes, helpful ideas and ways to make your meals special. This one, all about holiday dinners (mostly), is no exception. I love reading the stories that accompany the recipes, too. I highly recommend this little gem.

Oh my gosh! I LOVE this book! Even got one for my daughter-in-law! The chapter "Waking up at Grandma's" is worth the price of the book!!! Beautifully illustrated and has great hints for decorating and inexpensive decorative gifts besides the great recipies! Also has great recipies for easy to make Christmas cookies and desserts!

I have a collection of Gooseberry Patch cookbooks, in particular their Christmas editions. This one is delightful! I love the collection of recipes and Christmas reminiscences, as well as the adorable illustrations throughout!

I enjoy Gooseberry Patch cookbooks. So don't my friends when I give them out as little presents here and there. These make wonderful gifts for anyone who loves to spend time in the kitchen. They are fun to read, the recipes are delicious, and the artwork is beautiful.... fun too.

This is one of the best Christmas cookbooks I have seen. The recipes are so interesting looking (I haven't had time to try very many of them yet) and the tips/hints and stores along with the recipes make for a very interesting book. I bought additional cookbooks for gifts this past winter.

I ordered this book to give as a gift. I looked thru the book before gifting it and saw so many yummy sounding recipes I wanted to try and ended up buying the e-book for myself. I bookmarked many of the recipes I want to try. I have made a few of them and have loved the ones I've tried so far and looking forward to trying more of the ones I bookmarked. Going to purchase a couple more for gifts.

This cookbook brought back memories of cooking and baking with my grandma! A lot of the recipes are easy to make. I love it.
