Award-Winning Fashions Of Edith Head Paper Dolls

Synopsis

From the 1920s into the 1980s, Edith Head designed costumes for Hollywood's biggest stars as well as legions of supporting players and extras. The diminutive doyenne of screen fashion received 35 Oscar nominations, winning eight times as many more than anyone else in Academy Award® history. This tribute features two dolls and 29 of the designer's creations, including outfits from Sunset Boulevard, All About Eve, Rear Window, The Sting, and many other films.

Customer Reviews

As a doll collector it is nice to have a good collection that includes dolls of all kinds. Recently I wanted to add some paper dolls to my collection and found several different ones on .These were received in great condition and in the time promised!Thank You!

Edith Head was a master of cinema fashions and Mr.Tierney captures these fashions remarkably well. His attention to detail is impressive. This book is a must for any paper doll collection.

My eighty three year old mother loved the paper dolls. She played with them when she was a girl in the 1930s and 1940s.

The heads were detached which made it hard to give as party favors for my paper doll party.Judy Davis

All the heads can move to each dress!!?? Now so in love with that!
