Customer Reviews

Basically i had to try to start a project then jump back to basic of hw to do a particular knot at front of books. Makes it very hard. Complete basic step to step (basic to hard) need to be on pages with project even if they are repeated.

Love it. Started the Eco-handbag. Not done but still love the project. Loving the other projects. Thank you.

Very inspirational! I found it a great jumping off place to start my own designs. Loved it!
