Customer Reviews

Very, very disappointed. Book is basically for Baseball, Football, Hockey bobbing heads. Most are much, much older bobbleheads, like many years ago. Not any bobbbers from present day Nov. 8, 2005 to last ten years, if not fifteen years ago. Very disappointed. Don't buy if you're looking for any bobbbers produced in the last 10 years. Only ones listed are: Michelin Man no price, Orange County Choppers Mikey & Paul Jr. no price, Bill Clinton, no price, Surf's Up Surfer no price, Three Stooges newer issue Curly, Larry & Moe no price and the last one is Uncle Sam newer issue, no price. Sorry,

but that's it. Bad choice on my part to purchase.

Lou has done a magnificent job with this new book. A great and most valuable edition to vintage bobbing head collector's library. A great compliment to Tim Hunter's book with newly uncovered information not yet before available to collectors. If you are looking for new bobble heads, this is not for you. If you are looking for vintage noddies from the 1960's this is a must have book. Thank you for the efforts Lou! Ed kobaksportsbooksempire

This is a great book if you have some old bobbieheads and have no idea what they are worth. I sold six for over \$600 all together. Worth the investment.

MY SON COLLECTS SPORTS BOBBLEHEADS SO THIS BOOK WAS A NATURAL PURCHASE FOR HIM. HE USES IT ALL OF THE TIME. EVEN BEFORE I GAVE IT TO HIM I MYSELF HAD FUN LOOKING THROUGH IT

great book, if you don't like it you didn't read the product info. a must have for the bobble world.

Love this book. Lots of great information. Even though its old, still very current and has a wealth of information. I didn't know it was a pocket book, but that doesn't change a thing.
