Ms. Newman provided me with just what I need when I entertain. I always found the sizing up of spirited recipes difficult. Here, in one well written book are recipes that have been well tested. They are foolproof and provide me with an entirely new way of adding zest to my parties. thank you Ms. Newman.

Absolutely fabulous book! I have used it for tons of get togethers and I always get dozens of compliments. I especially like the tips and tricks in the beginning for garnishes, ice etc.I highly recommend it!

Cocktails for a crowd made easy. Love the book & want to try all of the recipes. Time to party!

Who can figure out the recipe to make a drink for the whole party? Beyond Sangria - I've always been challenged. This book helps take the guess-work out of those big-batch drinks.

Perhaps I expected too much based on what I'd read about it. The book is certainly fine and had some good recipes but I can find far more variety on web sites like Epicurious.

Its been a lifesaver! Great recipes!
