BMW: Jubilee Edition

Synopsis

For 100 years, BMW's blue and white propeller logo has been associated with top-technology, sophisticated design, comfort and reliability. Its reputation of constant innovation and timeless elegance has conquered generations of drivers around the globe. In this jubilee edition, car photographer Rainer W. Schlegelmich pays tribute to the tradition of excellency that made BMW's brand stand out among the world's great carmakers. All car models, presented in chronological order, are beautifully photographed and described, from the early and legendary models through to the brand-new releases and prototypes. This book invites for a fascinating tour of BMW's unique car style. It will ravish car collectors and BMW fans alike.

Customer Reviews

I have yet to read or see such a beautifully done book on BMW. I am so happy to own this masterpiece on "The Ultimate Driving Machine". The book is very elegant with a Blue Slipcase and with The Beautifully styled BMW i8 on the Hardcover. The book covers the marque's legendary street cars all the way up to the BMW i8. Favorites of mine such as the M1, 2002 Turbo, and the V8, V10 AND V12's are some of the highlights for me. A Great Big Coffee table book covering the early predecessor companies and how BMW came to be until current and even covers The New Mini's. This book has something for everyone whether a fan of the Bavarian Great or a gear head or a casual observer this book is sure to put a smile on your face.
