Quilty Fun: Lessons In Scrappy Patchwork

Synopsis

It's Sew Emma is proud to introduce their first book with Lori Holt of Bee in my Bonnet! Quilty Fun includes complete instructions for her incredibly popular Bee in My Bonnet Row Along quilt, along with 10 brand new coordinating projects! This book is jam packed with over 100 pages of projects, tips and inspiration to use all around your home, and the book is spiral bound to last use after use. Lori's exciting designs in her first book, Quilty Fun, will fill your home with beauty and fun for a lifetime.

Customer Reviews

This book is very well written. There are 12 patterns and each one has directions for four different sizes and they are just beautiful! Something for everyone. As usual, Fat Quarter Shop has knocked it out of the park. And the price is awesome.

I love to quilt, and the pictures and instructions are very helpful. I like to see the new ways to use fabrics for a fresh, fun look.

Quilty Fun: Lessons in Scrappy Patchwork is an adorable row quilt book. Row quilts are very popular right now, with the nation-wide "Row By Row Experience" in its 4th year. I've been collecting free row patterns as I travel this summer. I bought a copy for myself and one for my quilt guild's library. It's a great book for using up scraps, too.

Beautiful photography and concise instructions make this a lovely book.

I like the spiral format for the quilt book - easier to access for patterns as it lays flat. Good instructions

I may never make the quilt but I have plenty of projects in mind. Well explained patterns and I enjoyed reading through the book.

I have not had an opportunity to sew any of the projects, but I am excited about them. She gives great tips for making everything . The illustrations are colorful, plentiful and helpful. I'm sure it will become one of my favorite sewing books .

Great, fun book for any experience level and group projects
