Customer Reviews

I lived in Wisconsin for 3 years and completely fell in love with the culture and food. My husband is from Wisconsin and knew most of the Supper Clubs in the book. He said this book brought back great memories for him and he really enjoyed looking at the pictures and recipes and reading the book! We will be making many of the recipes out of this book, especially as it gets cooler!

great stories, recipes are nothing special, mostly anything available on the internet, don't eat pheasant, frog legs or duck at home or ever for that matter, found maybe 4 recipes useful . if your looking for a great cookbook this isn't it, just my opinion

Enjoyed the stories and pictures!!! Interesting recipes.
