## Gun Digest 2017

## Synopsis

THE 71ST EDITION OF THE WORLD'S GREATEST GUN BOOK! Generations of firearms enthusiasts have used Gun Digest as the number one source for information on guns old and new for hunting, target shooting, collecting and personal defense. Whatever your interest is in relation to firearms, you'll find it in these pages. Informative and entertaining articles by the top writers in the field cover the latest rifles, handguns, shotguns and related gear. In this edition there are stories on classic Colts, Winchesters, Luger, Mausers, Remingtons, Marlins and Springfields. New models are featured from Ruger, Smith & Wesson and Savage, and there is up-to-date information on the growing popularity of suppressors, opinions on survival guns, how to really test your marksmanship, and shooting lessons from some of the world's top shotgunners. All this plus our 160-page catalog and buyer's guide to all of today's guns, updated ballistics tables, and a web directory to the firearms industry. Gun Digest is the most comprehensive collection of firearms information in print today! ## Customer Reviews

This is a good book and I recommend that every serious shooter have it in their library. It is a quick way of looking up a gun that you hear about or checking to see what gun a specific company

manufactures. I have found the address list in the rear useful to find the current address of companies in the firearms business. The only negative is that you really only need to buy to buy this book every couple of years as it doesn't change that much from year to year!

full of up to date info

I love it and I'm mentioned in the Thompson article.

Excellent book!! Definitely recommend!!

Very informative.

good book
