Customer Reviews

Jordan Mcauley has done a masterful job in presenting the most effective strategies for contacting the celebrity of your choice. I really liked the chapters on Contacting Actors/Actresses and Talk Show Hosts. Jordan give examples of meaningful communication vs. creepy communication with the stars. The key is to be professionally persistent (and patient) and to avoid being viewed as a stalker. I also liked how Jordan explained the proper way to use search engines to identify mailing

addresses of the stars. I thought that was really valuable. Jordan even included the addresses of television networks, publishing houses, and professional sports teams. This makes the book really user-friendly. This book would also be useful for people who sit on boards of non-profit organizations that are interested in aligning themselves with celebrities. I can speak from experience because I have two celebrity friends. More people definitely need to take his advice on approaching celebrities. I have seen people say and do the dumbest things in front of celebrities and blow it. This book is a must read for anyone looking to contact famous people. I am glad that I have added this book to my library!

I purchased this book hoping to use it to get in touch with celebrities for various purposes. While none of my letters were returned, I never received any responses either. Later I found that all the information in the book can also be found online.

General information and ways to reach celebrities. With the first glance looks good to me.

Filled with insider tips, tricks and techniques, this book reveals everything you need to know to reach the stars in mail, online, and person. Maybe you want an autograph from your favorite actress. Or perhaps your photo taken with your favorite singer. Or maybe you're looking to get your favorite baseball player to sign a jersey for your little brother. Whatever your need for contracting a celebrity, this book will help you succeed. You'll discover how to get past the velvet rope plus: (1). Rub elbows with the rich and famous for business or pleasure; (2). Get free autographed photo, signed memorabilia, and personal notes from your favorite celebrities and public figures; (3).
