All New Building Decks (For Pros, By Pros)

Synopsis

All new, up-to-date designs and content are packed into this must-have edition for professional builders, remodelers, and passionate amateurs. Filled with advice and how-to knowledge from the finest builders in the country, All New Building Decks gets you started from the ground up by taking you through every step from sizing your footings to design ideas for optimizing your view. Begin with tried and true advice for choosing the best materials, then follow step-by-step instructions, depicted in 350 colorful photographs and clear illustrations, to build a gorgeous custom deck for your home. All the details are covered from Bright Ideas for a Well-Lit Deck, Deck Refinishing, Railing Retrofits, how to Make an Old Deck Safe and even building Decks that Stand Up to Wildfire! All of Fine Homebuilding's proven tips and techniques will help you build a safe, secure, and beautiful dream deck.

Customer Reviews

My husband first checked this book out from the Library along with several other books to research how to build a deck. Out of all of the books he looked at this was his favorite one and so I ordered it for him. I'm sure he will use it a lot when building our new entry deck. Would recommend it to others getting ready to do that type of project.
